

Ushers

This past year has been a very successful year for the Ushers. We have many volunteers, and have truly worked together as a team. This is another way that we show our support, not just for our church, but also for our Church Family. Please take the time when entering Church to say hello to the person greeting you at the door. They have taken the time out of their worship to Welcome you into our Home.

I want to thank these parishioners for participating in this aspect of our church's ministry and invite anyone who would like to serve as an Usher to please give me a call.
