

Youth Groups

Grace Kids

Grace Kids is a youth group designed to bring together 1st - 5th grade children for fellowship, fun, food, and service. Grace Kids meets currently one Sunday a month (generally the second) at 4 pm. We make a craft, play games, do service projects, and eat dinner together. Special things done at the monthly meeting were: in January acolyte training; in February we made Valentine gifts for our special someone; in June we went to the Funplex in Mt. Laurel; in October we did acolyte training; in November we played games; and, in December we had a Birthday Party for Jesus. Each child who attended was asked to bring an unwrapped gift for Kid's Alley Café. Gretchen Poliero organizes it with the help of other parents and on average has about 8-15 children in attendance. Teen helpers are also welcomed to help. Thank you to Lauren Poliero who attends faithfully to help.

Grace's Aces

The sixth and seventh grade youth group has been named Grace's Aces. The youth group meets on the second Sunday of the month from 4-6pm prior to their choir rehearsal. They interact with Grace Kid's for the first hour doing crafts, playing games and eating pizza and then are able to do planning, scooters etc. In June, they went to a Riversharks game with fireworks and also went to the Funplex. The group is run by Gretchen Poliero and averages 4-10 participants.

EYC

Last year the EYC continued to provide a place for teens to have fun and provide community service in a Christian environment. We raised awareness and money for World Vision during our annual 30 hour famine. We also had a great time at the Bishop's Ball. This year we are lucky to have the addition of Mother Debbie and kicked the year off with a picnic at the Hamilton's where we helped plan the year. With the guidance of Ruthann Johnson we had a successful candy sale and are looking forward to the year ahead. We are always welcoming new teens to the group so come join us for fun, fellowship and snacks!
