

Summer is just around the corner. **Vacation Bible School** will be done here at Grace Church from **July 14-18**. We will be joined by First Presbyterian Church and so many **volunteers are needed**. Think about how you can help and make this ministry a success. Helpers are needed with crafts, snacks, drama, games, music, and mission. Think about sharing your talents with the children of God. Sign-up is in the Parish House.
