## Adult Acolyte

The Adult Acolyte assists the priests in conducting worship services. The Adult Acolyte serves at either the 8 a.m. or the 11 a.m. service on Sunday morning. Before the service the acolyte lights the appropriate candles and may also extinguish them at the service end. He/she may lead the processional and recessional by being the crucifer. She/he assists the priests at the altar in preparing the altar for Holy Eucharist, ringing the Sanctus bell and other duties as requested by the priest. No previous experience is required. Should be able to carry either the small or large cross during the procession. A priest or an Acolyte Master provides acolyte training before being assigned to serve. Periodic refresher sessions available as needed. One worship Sunday service per month along with an occasional special service including weddings, funerals and Holy Days. Opportunity for Christian growth include increased exposure and knowledge of what happens at the altar, opportunities for spiritual reflection along with sacred service to God and the church.
