

ViP Project

VIP Project Position

Flower Committee Member

Flower Committee members are responsible for arranging the flowers used to accentuate the beauty of the altar. Committee members prepare and arrange flowers in containers and place the containers on the altars. Two members are assigned each Saturday. Members are instructed in preparation and arrangement techniques. More experienced members are encouraged to assist in decision making regarding choice of flowers to best accentuate the church season. There is a two-hour commitment one Saturday a month year round. Opportunities for Christian growth include increased knowledge of the altar and surroundings, expression of love through creative expression. If you are interested in this ministry please call Jean Fischer at 429-3309 or drop this form off at the Church Office.
