

ViP Project

VIP Project Position

Ladies Breakfast Club Coordinator

The Ladies Breakfast Club meets on the third Saturday of the month with the exception of June, July, and August. Breakfast is provided for the first half-hour followed by a speaker and discussion. Women of all ages are encouraged to participate. The Coordinator is responsible for organizing the monthly speaker, who may or may not be a member of Grace Church; recruiting 2 women to cook and serve breakfast; and advertising the meeting and speaker topic in the Sunday Bulletin and Parish newsletter. The Coordinator introduces the speaker to the group and acknowledges the appreciation for sharing their expertise. The Coordinator sends thank you notes to the speakers and to those who prepare the breakfast. No previous experience is required; however, strong organization skills and a desire to work with other people would be useful. Minutes from previous meetings are available to assist the Coordinator in selecting future topics and past Coordinators are available as a resource when needed. This position covers the 9 months during which meetings are held. It requires approximately 2 hours per month to accomplish the duties described above. Opportunities for Christian growth include fellowship with other women in the church, as well as with men from outside the Parish who may be invited to attend, and spiritual growth through conversation about the topics presented. If you are interested in volunteering as the Coordinator, as a Speaker, or as a Cook for the Ladies Breakfast Club, please contact Ginny Dobie (856-869-2846).
