

ViP Project

VIP Project Position

Sunday School Teacher

Sunday School teachers are responsible for the delivery of the Christian Education Program to a small group of children, who are grouped by age. The Christian Education Curriculum Committee will provide support by organizing lessons and strategies for instruction. Teacher and Parent/Student Handbooks will be provided to also assist the teachers. The teacher will need to review the above materials and be prepared to teach the lessons. It is helpful to enjoy working with children as well as being comfortable around them. Staff training sessions are held prior to the start of Sunday School in the Fall. Sunday School runs from 10:30 until 11:15 most Sundays. Review of the lesson and set up of the classroom could take 45 minutes to 1 hour. Opportunities for Christian Growth include an opportunity to learn more about the Bible and our church traditions. It also an opportunity to help the church with one of its most important missions – education our children. There is always a need for teachers, and the need changes from semester to semester. There is a need for Pre-k, Kindergarten and first grade this year. If you are interested in this ministry please call Karen Marshall at 795-6420 or drop this form off at the Church Office.
